Our INCREDIBLE Limited Division Horse Judge, Katie Lloyd crushed her goal for reasons scores and finished extremely strong out of 56 contestants!!! I could not be more proud of what this team accomplished at the AQHA World Show.

I wouldn't want to end my coaching career at the University of Florida ANY other way, with ANY other group of students!! I feel beyond blessed to have had the opportunity to work with each of these beautiful girls. Their hard work, sore throats, gazillion judging cards, long extra practice hours, perseverance and determination PAID off! Glory be to God for this fantastic team. I couldn't be more proud of these incredible, fearless horse judges!! Forever grateful for Dr. Saundra TenBroeck and Mr. Joel McQuagge for their faith and support in me as the UF Horse Judging Team coach.
