Is willing to judge: Market and breeding classes for cattle, swine and sheep

Occupation: Agricultural Instructor, Durant High School

Personal Information: I grew up showing and raising registered and commercial cattle. I have also participated in exhibiting market hogs, breeding hogs and steers for more than forty years at the county, state and national levels. I maintain a herd of Registered Limousin, Angus and Simmental cattle that I market and exhibit nationwide.

Judging Experience:

* Throughout my teaching career I have trained numerous state and national award winning livestock judging teams.

* I have judged local, county and state shows for cattle, swine and sheep in Alabama, Georgia, Kentucky and Florida, including numerous state junior preview shows and breed associations shows.

Education:

Bachelor of Science Degree in Animal Science, 1977

University of Florida, Gainesville, Florida

Associate's Degree in Agriculture 1976

ABAC, Tifton, Georgia
