Is willing to Judge: Market and Breeding classes for cattle, swine, sheep and goats. Showmanship on all of the same classes.

Occupation: Agriculture Teacher at Madison County High School, Madison, Florida

Personal Information: I grew up on a diversified farm in Madison County. I exhibited swine in 4-H. I have been an agriculture teacher for the last 25 years in my home town. I also have a herd of commercial cattle on my own place.

Judging Experience: University of Florida Collegiate Livestock Judging Team, 1983-84
I have judged over 100 local and regional shows in Florida over the last 25 years

Education: Bachelor of Science Degree in Animal Science, 1984
University of Florida, Gainesville, FL
