Livestock species willing to judge: While I still judge some breeding shows, my preference is working with young exhibitors and evaluating market classes of swine, sheep and goats.

Occupation: Jeff Davis County Extension Coordinator –
Agricultural & Natural Resources
University of Georgia Cooperative Extension

Personal Information:

I grew up on a diversified livestock and row crop farm in Bacon County located in Southeast Georgia where we maintained a herd of commercial cattle in addition to purebred Landrace and Yorkshire hogs. I was actively involved in 4-H and FFA showing steers, market hogs, purebred gilts and boars. My kids have grown up exhibiting market lambs, market hogs and breeding gilts at shows from Georgia to Iowa. Either my kids or kids under my supervision have won Grand Champion at three market hog shows at the Georgia - State Market Hog Show or the Georgia National Fair.

Judging Experience:

- University of Georgia Intercollegiate Livestock Judging Team, 1996.
- University of Georgia Meat-Animal Evaluation Team, 1997.
- I began judging junior livestock shows while attending the University of Georgia
- I have judged local, county, regional, state shows and fairs for cattle, swine, sheep and goats in, Georgia, Florida and Alabama.

Education:

Bachelor of Science, Animal Science, 1997
The University of Georgia
